

# Baptism Booking (Request) Form

**Church:** Glynn  Barntown

Congratulations on the birth of your new baby! May God bless you all as you grow together in faith, hope and love.

Please fill in the form attached and we will make contact with you quite soon to see if your requested date and time can be facilitated.

Baptisms are generally held on Saturdays - or at noon on Sundays - in either Barntown or Glynn churches.

Times outside of this can be negotiated and we will endeavour to facilitate as best we can. The use of the church for other occasions can mean times and dates are already taken.

Please do not make any family arrangements until your booking is confirmed by the parish office.

On confirmation of the time and the date of the baptism, you will receive a more extensive booking form as we will need to get details for the baptismal register and GDPR permissions from you.

Fr. John.
