

***Application Form for Marriage  
Glynn / Barntown Parish  
Co. Wexford.***

Congratulations on your decision to marry. In requesting marriage at the parish of Glynn / Barntown, you are making a very conscious decision not only to invite Jesus into your lives together, you are also inviting Him to be a very visible and active presence and guide in both your wedding planning and your wedding day. Our role here in the parish is to assist you in every way possible and to journey with you today and into the future.

Please await a response from us before making any further plans for the wedding day. We will revert to you very soon.
